

Team ADDBA Technique Class/Solo/Duet/Trio Requirements

The Art of Dance and Ballet Academy strives to provide a strong Competition Team, and in order to do this it is necessary for our **Team ADDBA** members to be dedicated to regular technique classes.

Each of our Competition Routines has a set of mandatory classes which are compatible to the style of dance(s) each Team Member is committed to. See below for these Required Classes.

What is TB (Technique Barre)? – Technique Barre is a 2-hr intensive class offered on Sundays with Derek Nemechek that will feature Barre work along with technical instruction to improve on ballet, jazz and fusion dance forms.

It is mandatory for all Team ADDBA members to be registered and have regular attendance in their required classes. Excessive absence of any mandatory technique classes may result in loss of privilege in a performance, competition, or participation for the rest of the competition season. ADDBA offers a large variety of classes at every level, and each dancer has many opportunities to make-up their absences in another technique class equivalent to the class they may have missed. A ballet class may replace any jazz, lyrical/contemporary, hip-hop, or tap class.
